

Welcome Video Script

If you're unable to play the Welcome Video in Session One, you will need to relay the content to your group in your own words. Here is a script of the video to help guide you.

INT. ROOM - DAY

Two kids dressed casually, Arthika and Zayden, introduce us to the Lost & Found project, and the most relevant elements. They're standing in front of a small table that holds a "Memory Box" and two "Lost & Found Journals."

ARTHIKA

Welcome to Lost & Found! We're so glad you're taking part in this project!

ZAYDEN

The pandemic has been a once-in-a lifetime experience for all of us, but for kids like you and me, it's been a giant roller coaster ride!

ARTHIKA

There's been online school, shutdowns, social distancing, missing friends and family, and so much more!

ZAYDEN

In fact, our pandemic stories are SO important, we've joined this workshop just to share them with each other, and with people across Canada!

ARTHIKA

That way people, organizations, and even decision-makers can understand what we've been through and learn from it.

ZAYDEN

We hope your group can create a safe space for you all to remember your stories, share them with each other if you wish, and have fun!

ARTHIKA

There are two important tools you'll use in this workshop.

Zayden will point to the Memory Box (a fully decorated box) on the table, and they'll take turns speaking about it.

ZAYDEN

The first is your group's Memory Box. Here's ours!

ARTHIKA

You'll use it to collect writing, art, and objects you'd like to share with others. You can even decorate the box, like we did!

ZAYDEN

We used stickers and paint and markers. Looks pretty good, eh?

ARTHIKA

Each session you can put your writing or art in the box and, at the end of the whole workshop, you'll have a whole collection of memories that you can display for the community to come see.

ZAYDEN

That way, we can tell other people what the pandemic was like for us!

Arthika will pick her Lost & Found Journal from the table and show it to the camera. Zayden will start drawing something on his.

ARTHIKA

The second thing we wanted to show you is your Lost & Found Journal, where you'll be writing and drawing.

Zayden will show the drawing to the camera. And cut out the page as he speaks (Close up on the page). He'll finish putting the drawing inside the Memory Box.

ZAYDEN

The sheets can be cut out and put in your Memory Box if you choose to share them.

ARTHIKA

You'll also find fun prompts and activities!

ZAYDEN

You can take it home to work on it, but please remember to bring it back, so you can use it in the workshop as well.

ARTHIKA

Your facilitator will show you other great activities and resources we've put together to make this a great experience.

ZAYDEN

Feel free to ask them any questions or share any thoughts you might have.

ARTHIKA

Have a great workshop...

ZAYDEN

Have fun!

ARTHIKA

And be safe.

ZAYDEN AND ARTHIKA

Bye!!!
