If you're unable to play the Welcome Video in Session One, you will need to relay the content to your group in your own words. Here is a script of the video to help guide you.

INT. ROOM - DAY

Two kids dressed casually, Nagashri and Zayden, introduce us to the Lost & Found project, and the most relevant elements. They're standing in front of a small table that holds a Memory Box and two Lost & Found Journals.

NAGASHRI

Welcome to Lost & Found! We're so glad you're taking part in this project!

ZAYDEN

The pandemic has been a once-in-a-lifetime experience for all of us, but for kids like you and me, it's been a giant roller coaster ride!

NAGASHRI

There's been online school, shut-downs, social distancing, missing friends and family, and so much more!

ZAYDEN

In fact, our pandemic stories are SO important, we've joined this workshop just to share them with each other, and with people across Canada!

NAGASHRI

That way people, organizations, and even decision-makers can understand what we've been through and learn from it.

ZAYDEN

We hope your group can create a safe space for you all to remember your stories, share them with each other if you wish, and have fun!

NAGASHRI

Your facilitator will show you other great activities and resources we've put together to make this a great experience.

ZAYDEN

Feel free to ask them any questions or share any thoughts you might have.

NAGASHRI

Have a great workshop...

ZAYDEN

Have fun!

NAGASHRI

And be safe.

ZAYDEN AND NAGASHRI

Bye!!!
